At this heart-warming annual event, formerly-homeless families recount their journey through homelessness to permanent self-sufficiency. It is a very moving evening filled with gratitude and an understanding of the part we each play in their journey.

The 2009 Achievers Celebration will be attended by invitation only. The staff and Board of ACS will be joined by 150 members of the Atlanta's service provider and philanthropic community, as well as by the families we are honoring that evening.
